Bilnexa

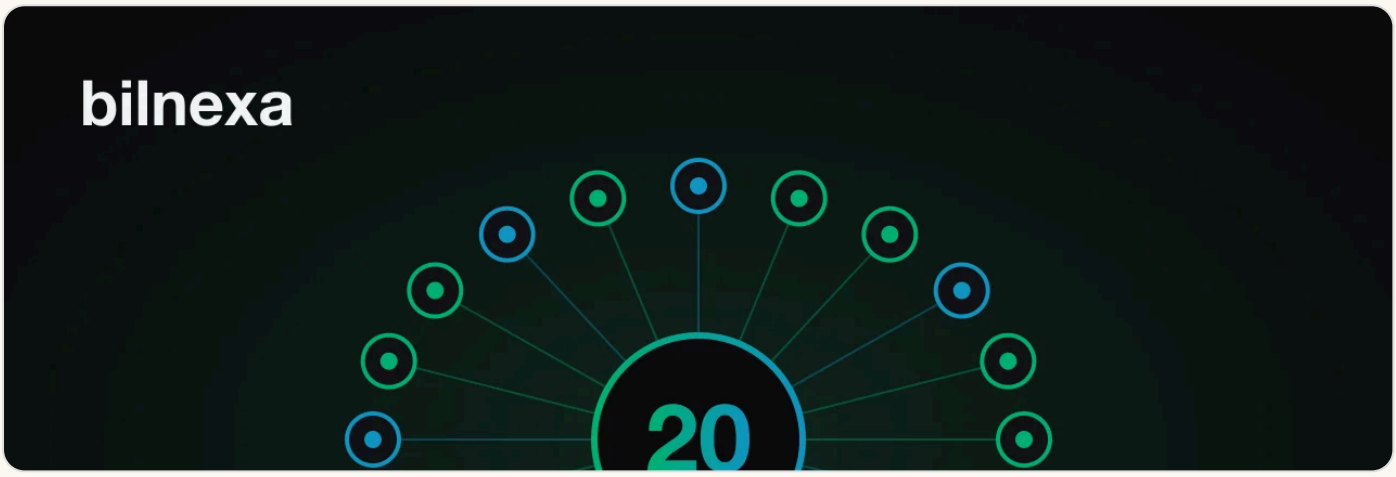

LAB DEMO

EDEL Investment GmbH
As of: 12 November 2026

Trading without gut feeling – watch 20 AI agents vote.

Bilnexa is a lab project of EDEL Investment GmbH: 20 specialised AI agents look at the market from different angles – from momentum to macro – and vote together. An experiment in traceable decisions instead of gut feeling. Lab project, not an offer to third parties.

Lab Lab project of EDEL Investment GmbH – not an offer to third parties, no investment advice, no public access.

In the lab

A vote instead of gut feeling

Each agent gives its assessment. The decision is made together – traceable instead of from the gut.

Many perspectives

Momentum, sentiment, macro, seasonality and more: each agent looks at the market through its own lens.

Risk in view

A dedicated risk agent and a final judging instance review every vote.

Highlights

- 20 AI agents
- Joint vote
- Lab project
- Not an offer to third parties
