Booking-Private

AI ASSISTANTS · LIVE · ASK MIRA

EDEL Investment GmbH
As of: 12 November 2026

Don't search. Just ask.

Booking-Private arranges apartments and accommodation for work crews in Leverkusen. Instead of clicking filters, you ask Mira: she checks live what is free for your dates – by chat or voice, in the guest's language. A booking only counts once it has been confirmed personally.

Use cases

Work crews & project teams

Name your dates and number of people – Mira shows which apartments are free, even for several weeks.

In your language

Mira understands requests by text or voice and replies in the guest's language – ideal for international teams.

Request first, then book

Every request is checked personally. A booking only counts after explicit confirmation – no surprises.
