Same destination. A new route every time.

Always the same route? romvay deliberately plans new ways to the same destination – on foot, by bike or by car. Just say “I have 45 minutes” and romvay suggests a matching loop. Runs right in your browser.

Use cases

After-work loop

“I have 45 minutes” – romvay suggests a round trip that fits your time window. Start and finish: your front door.

Discover new ways

A different route to the same destination every time. Avoid familiar paths and experience your own city anew.

Remember places

Save home and favourites, find your routes again – and share romvay with friends.

Highlights

- A new route every time
